Bar Options

Cash Bar

Guests pay for themselves

Bar Tab

A credit card is provided and the bar tab limit can be open or set at a predetermined amount. The tab is to be paid at the end of the day/night by the card holder.

You may choose to cover a certain amount of beverages consumed, example \$500. Once the limit is reached the guests will then start to pay for their own beverages.

Bar Menu

Simply advise us of any beverages that you are particularly fond of and would like to see stocked. Whether it's a favourite wine or beer - we want to ensure it's available to you if at all possible.

Examples of Bar Menus

Basic Options- All tap beer (excluding premiums), all house wines, and basic bar spirits

Open Bar- all beers, including premium and bottled, all wines on offer, with choice of premium spirits.

We love bringing in speciality items such as local vineyards, craft beers, and creating personalized/tailored drink packages. Let us know what you're after and we'll do our best to sort it for you.
